LONDON FUN FACTS TO KNOW

- Many attractions within London are easily assessable via Taxi, Uber, or the London Underground known as "The Tube" (a short walk from the hotel).
- Buckingham Palace is across the street from our hotel.
- The Big Red Tour Bus picks up directly across the street from our hotel.
- They drive on the LEFT, so make sure to look both ways before crossing a street.
- Almost all London museums can be visited free of charge.
- The Changing of the Guards is one of the free activities available in London. The ceremony takes place at Buckingham Palace at 10:45am on Mondays, Wednesdays, Fridays, and Sundays (weather permitting).
- Restaurant bills in London come with a service charge, which you do NOT need to tip on top of that. If it doesn't, you can certainly give a tip of 10-12%.
- Patience is a virtue, as you will not find the in-and-out dining atmosphere you may be used to in the states.
- It is common in pubs for guests to place an order at the bar instead of a server coming to your table to place an order.

TRAVELING THROUGH EUROPE

If you are planning to travel through Europe, either before or after the group dates, please read below:

The [Schengen Borders Agreement](#) created Europe's border-free Schengen area, where anyone legally present in the European Union (such as tourists, etc.) are guaranteed free movement within the Schengen area without being subject to internal border checks. The Schengen Borders Agreement permits citizens from the United States to travel freely within the Schengen area for up to 90 days for tourism or business. Today, the Schengen area encompasses most countries in Europe, and includes four non-EU states: Iceland, Norway, Switzerland, and Liechtenstein. We recommend the following:

- Have at least six months' validity remaining on your passport book at the time of entry into the Schengen area.
- Check passport validity requirements if traveling onward from the Schengen area to a country outside the Schengen area. Please visit: www.travel.state.gov for the most up to date information on passport validity for your destination.
- Carry your passport book when traveling to another country in the Schengen area. Even if there is no border check at that time, officials may reinstate border controls without notice.
